

Teeny Tiny Art Mart 2026

Call For Submissions

The World's Largest Teeny Tiny Art Mart Is Back!

Join the Teeny Tiny creation craze for OMA's fourth Teeny Tiny Art Mart! Create your very own miniature masterpiece for a great cause. All donated artwork will be for sale at the Teeny Tiny Art Mart with 100% of the proceeds helping to support OMA's education initiatives that provide thousands of students annually with transformative arts-based experiences. So, grab your art supplies and let your imagination soar—together we can make a big impact, one teeny tiny artwork at a time.

SUBMISSION PROCESS

- Confirm **artwork measures exactly 5 inches wide x 5 inches tall** and does not exceed a depth of more than 1.5 inches.
 - All submissions must be original works of art created and owned by the person making the submission.
 - Complete a submission form below.
 - Cut out and attach the completed submission form to the back of the artwork so that the arrow at the top of the form points to the top of the artwork. **Do not glue or tape the tab that says "FOR OMA REFERENCE."** Staff will remove the tab prior to sale.
 - Each tiny masterpiece will be sold for \$25—with a twist—buyers will not know the identity of the artist, whether they are a novice, professional, civic leader, or local celebrities, until they purchase the artwork.
 - **Do not sign the front of your artwork!** It will be a surprise for the buyer to discover who the artist is.
 - Although there is **no submission limit**, we've grown so big we're getting more work than we can include! Not all submissions will be included in the initial sale and will be retained for future Teeny Tiny sales. **Each artwork must have its own submission form.**
- Show your creative process! Tag us in social media, @oceansidemuseum**
